low impact gifts

Welcome

As the year comes to a close, it's the perfect time to thank the people who contribute to your success. A thoughtful gift is more than a gesture - it strengthens relationships, shows appreciation, and keeps your brand top of mind.

The best gifts create positive experiences and lasting connections. They reflect your values, reinforce your message, and help you stand out in a meaningful way.

In this catalogue, you'll find carefully selected gifts designed to make a lasting impression. Fully customisable with your logo, message, or design, each product offers an opportunity to turn appreciation into a memorable brand experience.

Around the table.

The best gifts are the ones that become part of life's meaningful moments. During the winter season, people naturally spend more time at home, gathering around the table to celebrate, connect, and create memories with loved ones.

Kitchen and dining gifts fit seamlessly into these occasions. Practical, enjoyable, and long-lasting, they bring people together while keeping your brand close at hand. More than a gift, they're a reminder of the relationships that matter and the value of sharing something special.

Exclusive gifting.

When it comes to gifting, thoughtful choices matter more than quantity. The most memorable gifts are the ones that feel personal, relevant, and carefully selected for the people receiving them.

Taking the time to choose the right gift shows genuine appreciation and creates a stronger emotional connection. A well-chosen premium gift not only leaves a lasting impression but also reflects the quality and values of your brand.

This Impact collection stone paper notebook is made of tree-free paper! Stone paper consists mainly of mineral powder (80%) bound with (20%) of non-toxic HDPE (a clean plastic). Zero water or bleach is used during production, which is the case during the production of traditional wood pulp paper. Traditional wood pulp paper uses around 2770 litres of water and around 18 trees. This beautiful A5 stone paper notebook uses zero!
